Lancaster, PA — Building projects for Rohrer's Quarry, in Lititz, and Garden Spot Village, in New Holland, have earned "Excellence in Construction" awards for Horst Construction. The awards, sponsored by the Keystone Chapter of the Associated Builders & Contractors (ABC), were presented recently at a ceremony at Dutch Apple Dinner Theater.

Rohrer's new \$3.6 million central-mix concrete plant won ABC Keystone's top prize — the Award of Excellence — in the *General Contractor Industrial Over \$2 Million* project category. Village Square Apartments at Garden Spot Village, a \$20 million independent-living facility, earned a Merit award in the *General Contractor Commercial \$10-\$25 Million* category.
